Rallies Slightly After Bank Statement.

TWO DISTINCT MOVEMENTS

Leading Railroad Issues Comparatively Heavy-London Sells 20,000

NEW YORK, Oct. 7 .- Trading in the stock market so far this morning has been divided between two groups with opposite movements in each group.

The leading railroad Issues have been comparatively heavy, stocks like New York Central, Canadian Pacific, Reading

and St. Paul showing moderate declines, while the equipment company shares were forced into prominence and made active and strong from the opening.
Wabash issues were all heavy and

were apparently sold by speculative in-terests that have acquired both issues of stock and the debenture bonds on the idea that possession of these securities would be needed for voting purposes at the annual meeting next week.

London sold about 20,000 shares in all, chiefly Steels, Atchison, Union Pacific, and Eric. Government bonds unchang-ed; other bonds steady with exception of Wabash debenture "B," which broke from 75 to 73.

from 75 to 73.

The market rallied a little after the bank statement, but closed irregular and on the whole heavy.

Bonds were somewhat irregular, but averaged steady; Governments were unchanged.

LOAN COMPANIES. When We Say \$1.66 a Month

WE MEAN IT. Other companies will tell you this is impossible; that their rates are about as low as ours; that we would confront you with extras by way of commissions; that you would not receive the full amount; that no company could possibly exist on such low rates. Don't be deceived. Let us convince you by facts and figures. Think of it, less than a cents on the dollar interest.
